Research the steps and requirements for studying abroad via the Morehouse College study abroad website, here.

Schedule an advisement appointment with the Office of International Education (OIE) to identify a program (or programs) of interest and to create a practical timeline for academic and financial planning/preparation.

Apply for a program via the Morehouse study abroad website, here, as well as on the external provider’s website before the application deadline. Also apply for scholarships (with provider and general study abroad scholarships).

Within the Morehouse (Terra Dotta) application (pre-decision and post-decision), a series of clearance processes and requirements must be read, completed, signed and/or acknowledged (ORR, Student Conduct, SFS, Health, Housing, Financial Policy, Legal Waiver, COVID-19 Disclosure, Payment to Provider Acknowledgement, Application to Provider, Course Approval Form, Passport Form, Emergency Contacts, and Travel Itinerary Form).

• Academic Approval: Must have minimum 2.0 GPA and must provide completed Study Abroad Course Approval Form to OIE based on program’s course offerings, if applicable.
• Upload required health forms to the Student Health Center via Medicat and obtain the required vaccinations to receive a SHC clearance.

Contact External Provider Program Advisor or Placement Coordinator for application status and decision date.
• Upon acceptance, follow all instructions and directives regarding their health clearance, Student Visa process, course selections, visa entry requirements (if applicable), room and board selections, acceptance deposit, etc.
• Read your Host Country Handbook.
• Create a study abroad budget: Direct Program Budget Template.

After receiving OIE approval to participate, ensure all post-decision acknowledgements and traveler safety information has been read and/or completed.
• Meet with OIE staff to discuss any other questions or concerns.
• Please be certain you understand the billing policy for your chosen program. Students are responsible for all program fees related to their summer study abroad experience. (Students can feel free to confer with Financial Aid to see if any remaining funds are available to use to cover any of the summer program expenses).

Ensure your arrival is in accordance with the external provider’s program orientation and check-in date.
• Retain your Traveler Safety document for quick reference.
• Confirm travel itinerary with OIE (complete the travel itinerary form within your Morehouse application).

Alert the OIE office of any issues or concerns.
• Provide any updates to your course schedule, if applicable.

• Ensure any post-program surveys from provider have been completed.
• External Provider will send the official transcript to OIE and OIE will provide it to ORR for processing.
• OIE will send a notification once the courses have been added to your Morehouse transcript.
