**Morehouse Beyond Borders  
Globalization of the Morehouse Student  
Experience**

Published in March of 2021, The Morehouse 2021-2025 Strategic Plan emphasizes its goal of international education. The Goal of #9 states that Morehouse will expand both study abroad and faculty involvement in international initiatives within the next five years. Specifically, Morehouse College will

- Increase the annual percentage of student studying broad from 5% to 30% over a five-year period;
- Double the number of institutional, faculty-led international experiences to increase that number from 10 to 20;
- Double the number of faculty involved in providing education abroad experiences from approximately 12 to 25 over a five-year period;
- Create support for faculty involved in international and global research.

**Global Experience and Study Abroad**

The Office of International Education aims to provide every student with study abroad opportunities during their years at Morehouse.

## Announcements

**Virtual Workshop:  
Voting and Voter Suppression:  
Comparing South African and the US Experience  
12:00 Noon-1:00 PM  
4/26/2021**

The Andrew Young Center for Global Leadership is partnering with the University of Western Cape to implement programming that highlights the shared experiences and challenges of Black Americans and Black South Africans.

This seminar on Voting and Voter Suppression will address the historical similarities and differences in voting rights for Blacks in the two countries and provide a platform for students and faculty members to share their experiences and reflections on voting and voter suppression in both countries.

Please join in us! Students and faculty from both Morehouse and University of Western Cape will be invited to attend.
