## Monday, April 26th

**Virtual Panel Discussion: *Hope, Enfranchisement, and Voter Suppression: South Africa and the USA***

12:00 Noon, EDT (Link: [Event Recording](#))

The Andrew Young Center for Global Leadership is partnering with the University of Western Cape to implement programming that highlights the shared experiences and challenges of Black Americans and Black South Africans.

This seminar on Voting and Voter Suppression will address the historical similarities and differences in voting rights for Blacks in the two countries and provide a platform for students and faculty members to share their experiences and reflections on voting and voter suppression in both countries.

Students and faculty from both Morehouse College and University of Western Cape will be invited to attend.
